Never saw you look quite so pretty before  
Never saw you dressed quite so lovely what's more  
I could hardly wait  
To keep our date  
This lovely Easter morning  
And my heart beat fast as I came through the door  
For

In your Easter bonnet  
With all the frills upon it  
You'll be the grandest lady in the Easter parade

I'll be all in clover  
And when they look you over  
I'll be the proudest fellow in the Easter parade

On the avenue  
Fifth Avenue  
The photographers will snap us  
And you'll find that you're  
In the rotogravure

Oh, I could write a sonnet  
About your Easter bonnet  
And of the girl I'm taking to the Easter parade

[alternate bridge for Great Britain:]  
To the Park we'll go  
Round Rotten Row  
The photographers will snap us  
And then you'll be seen In the smart magazine
