I know a professor of great renown  
And he is the loneliest man in town  
He's as smart as a man can be  
But he never has company  
Why is he the loneliest man in town?

He ain't got rhythm  
Ev'ry night he sits in the house alone  
'Cause he ain't got rhythm  
Ev'ry night he sits there and wears a frown  
He attracted some attention  
When he found the fourth dimension  
But he ain't got rhythm, so no one's with 'im  
The loneliest man in town  
A lonely man is he  
Bending over his books  
His wife and family  
Keep giving him dirty looks  
'Cause he ain't got rhythm  
When they call him up, it's to call him down  
With a daring aviator  
He encircled the equator  
But he ain't got rhythm, as no one's with 'im  
The loneliest man in town

[2]

He ain't got rhythm  
Ev'ry night he sits in the house alone  
'Cause he ain't got rhythm  
Ev'ry night he sits there and wears a frown  
With a problem scientific  
He's colossal and terrific  
But he ain't got rhythm, so no one's with 'im  
The loneliest man in town  
A lonely man is he  
Bending over his books  
His wife and family  
Keep giving him dirty looks  
'Cause he ain't got rhythm  
When they call him up, it's to call him down  
In the month of January

He compiled a dictionary  
But he ain't got rhythm, as no one's with 'im The  
loneliest man in town
