[PICKLES:]

You're compromising me  
But that's exactly as it ought to be  
I simply fell for you because I wanted to fall  
Don't speak of wedding chimes  
Because we mustn't be behind the times  
Besides a wedding isn't necessary at all

Don't worry because I fell  
You don't have to do right by Nell  
'Cause I don't wanna be married, I just wanna be  
friends

Don't worry 'cause I gave in  
Best of families live in sin  
'Cause they don't wanna be married, they just wanna  
be friends

While all the happy married couples sit and fight  
We'll be still going strong  
And fifty million Frenchmen say it's quite alright  
And that many can't be wrong

I never would change my name  
Even after the baby came  
'Cause I don't wanna be married, I just wanna be  
friends

[JOE:]

My father would give me hell  
If I didn't do right by Nell  
But I don't wanna be married, I just wanna be friends

Please grant me my father's wish  
Shotgun weddings are just his dish  
I don't wanna be married, I just wanna be friends

The kiddies wouldn't like it, they'd be awfully mad  
'Twould be known near and far  
To be a little "who's-this" isn't really bad  
For some of my best friends are

If not for the family  
Make an hon'rabable man of me!  
But I don't wanna be married, I just wanna be friends
