[1st verse:]

What'll I do? What'll I do?  
I'm just as sad as can be  
Something awful happened to me  
What'll I do? What'll I do?  
I'm in a terrible plight  
Like a great big fool I did  
A very silly thing last night

[chorus:]

I left my door open and my daddy walked out  
Without a doubt  
Worried am I  
Wondering why  
He never stopped to say "goodbye"  
I can't live without my lovin' daddy about  
That's why I shout  
He must come back to me or I'll lose my mind  
A good man's mighty hard to find  
He must have some lovin' now and then  
Maybe that will bring him back again  
I'm gonna keep my door wide open  
Till my daddy comes back

[2nd verse:]

What'll I do? What'll I do?  
I'm in a terrible rage  
Like a bird, he flew from his cage  
Daddy of mine, send me a line  
Say that you'll come back to me  
When you do I'll lock the door  
And try my best to lose the key
