I'm sorry for myself
So sorry for myself
Someone I love said good-bye
And no one's sorry for me that's why
I'm so sorry for myself

I'm blue as I can be
My man walked out on me
I'd go home and end it all
But fourteen stories is an awful fall
I'm so sorry for myself

I'm feeling mighty sad
I never looked so bad
I have lost my appetite
Couldn't eat my second steak last night
I'm so sorry for myself

So very blue am I
I wish I could die
Wish I had a nasty cough
I'd buy a gun but then it might go off
I'm so sorry for myself

I soon could end my woes
Down where the river flows
I would jump right in the sea
But no one may be there to rescue me I'm so sorry for
myself
