The front page of your paper is bound to make you sad  
Especially if you're the worrying sort  
So turn the front page over where the news is not so  
bad  
There's consolation in the weather report

It's a lovely day tomorrow  
Tomorrow is a lovely day

Come and feast your tear dimmed eyes  
On tomorrow's clear blue skies

If today your heart is weary  
If ev'ry little thing looks gray

Just forget your troubles and learn to say  
Tomorrow is a lovely day

[alternate verse from British sheet music:]  
When I was young my mother would watch me on the  
days when it would rain  
She'd see me so unhappy my nose against the dripping  
windowpane  
And I would hear her singing this refrain
