[1st verse:]

Oh, Marie, 'neath the window I'm waiting  
Oh, Marie, please don't be so aggravating  
Can't you see my heart just yearns for you, dear  
With fond affection  
And love that's true, dear  
Meet me while the Summer moon is beaming  
For you and me, the little stars are beaming  
Please come out tonight, my queen  
Can't you hear my mandolin?

[chorus:]

My sweet Marie from sunny Italy  
Oh how I do love you  
Say that you'll love me, love me, too  
Forever more I will be true  
Just say the word and I will marry you  
And then you'll surely be  
My sweet Marie from sunny Italy

[2nd verse:]

Oh, Marie, I've been waiting so patiently  
Oh, Marie, please come out and I shall happy be  
Raise your window, love, and say you're coming  
The little birds, dear  
Are sweetly humming  
Don't say, "No," my sweet Italian Beauty  
There's not another maiden e'er could suit me  
Come out, love, don't be afraid Listen to my serenade
