Take away my high hat  
Take away my favorite tie  
Take away my white spats  
I'll still get by  
But my walking stick  
You simply must let that be  
I mean you can't take that away from me

Without my walking stick  
I'd go insane  
Can't look my best  
I'd feel undressed  
Without my cane

Must have my walking stick  
'Cause it may rain  
And when it pours  
Can't be outdoors  
Without my cane

If I ever left my house without my walking stick  
It would just be something I could never explain

The thing that makes me click  
On Lovers' Lane  
Would go for naught  
If I were caught Without my cane
