I've a longing to go  
Where the oranges grow  
I know a cozy nest  
'Way out west  
And I miss it so  
California my own  
Oh how lonely I've grown  
That's why I'm on the run  
To the one  
I left there all alone

Arm in arm we will rove  
Thro' a sweet orange grove  
Far away in California

Like a bird I mean to fly west again  
And I'll hold her close to my breast again

When the blossoms unfold  
And the green turns to gold  
Some fine day in California

You'll see a happy girlie and a happy fellow  
'Mid the fields of yellow In an orange grove
