Oh  
I got a message from below  
'Twas from a man I used to know  
About a year or so ago  
Before he departed  
He  
Is just as happy as can be  
I'll tell you what he said to me  
He said, "If ever you get heavy-hearted

Pack up your sins and go to the devil in Hades  
You'll meet the finest of gentlemen and the finest of  
ladies  
They'd rather be down below than up above  
Hades is full of thousands of  
Joneses and Browns, O'Hoolihans, Cohens and Bradys  
You'll hear a heavenly tune that went to the devil  
Because the jazz bands  
They started pickin' it  
Then put a trick in it  
A jazzy kick in it  
They've got a couple of old reformers in Heaven  
Making them go to bed at eleven  
Pack up your sins and go to the devil  
And you'll never have to go to bed at all

If you care to dwell where the weather is hot  
H-E-double-L is a wonderful spot  
If you need a rest and you're all out of sorts  
Hades is the best of the winter resorts  
Paradise doesn't compare  
All the nice people are there  
They come there from ev'rywhere  
Just to revel with Mister Devil  
Nothing on his mind but a couple of horns  
Satan is waitin' with his jazz band  
And his band came from Alabam' with a melody hot  
No one gives a damn if it's music or not  
Satan's melody makes you want to dance forever  
And you never have to go to bed at all
