[As sung in film:]

Sisters, sisters, there were never such devoted sisters

- Never had to have a chaperone, "No sir"

- I'm here to keep my eye on her

Caring, sharing ev'ry little thing that we are wearing

- When a certain gentleman arrived from Rome

- She wore the dress and I stayed home

All kinds of weather, we stick together, the same in the  
rain or sun

Two diff'rent faces, but in tight places, we think and we  
act as one

Uh huh

Those who've seen us know that not a thing could come  
between us

Many men have tried to split us up, but no one can

Lord help the mister who comes between me and my  
sister

And Lord help the sister who comes between and my  
man

Sisters

Sisters

Sister, don't come between me and my man

[Male version, not in film:]

Brothers, brothers, there were never such devoted  
brothers

When there comes a glamor girl who's nice and trim

He watches me and I watch him

Caring, sharing, ev'ry little thing that we are wearing

When a certain signorina came from Rome

He wore the blue serge, I stayed home

All kinds of weather, we stick together, the same in the  
rain or sun

Two diff'rent faces, but in tight places, we think and we  
act as one

Those who've seen us know that not a thing could come  
between us  
Many girls have tried to split us up, but no one shall  
Lord help another who comes between me and my  
brother  
And Lord help the brother who comes between and my  
gal

[Sheet music version:]
