There's a change in fashion that shows  
In those Lennox Avenue clothes  
Mister Dude has disappeared with his flashy tie  
You'll see in the Harlem Esquire  
What the well-dressed man will desire  
When he's struttin' down the street with his sweetie-pie

Sun tan  
Shade of green  
Or an olive drab color scheme  
That's what the well-dressed man in Harlem will wear

Dressed up  
In O.D.'s  
With a tin hat for overseas  
That's what the well-dressed man in Harlem will wear

Top hat, white tie and tails no more  
They've been put away till after the war

If you  
Want to know  
Take a look at Brown Bomber Joe  
That's what the well-dressed man in Harlem will wear
