[1st verse:]

Gone is the romance that was so divine  
'Tis broken and cannot be mended  
You must go your way and I must go mine  
But now that our love dreams have ended

[Chorus:]

What'll I do  
When you are far away  
And I am blue  
What'll I do

What'll I do  
When I am wond'ring who  
Is kissing you  
What'll I do

What'll I do with just a photograph  
To tell my troubles to

When I'm alone  
With only dreams of you  
That won't come true  
What'll I do

[2nd verse:]

Do you remember a night filled with bliss?  
The moonlight was softly descending  
Your lips and my lips were tied with a kiss  
A kiss with an unhappy ending
