[Kenneth:]

I hear singing and there's no one there  
I smell blossoms and the trees are bare  
All day long I seem to walk on air  
I wonder why  
I wonder why  
I keep tossing in my sleep at night  
And what's more I've lost my appetite  
Stars that used to twinkle in the skies  
Are twinkling in my eyes  
I wonder why

[Sally:]

You don't need analyzing  
It is not so surprising  
That you feel very strange but nice  
Your heart goes pitter patter  
I know just what's the matter  
Because I've been there once or twice  
Put your head on my shoulder  
You need someone who's older  
A rubdown with a velvet glove  
There is nothing you can take  
To relieve that pleasant ache  
You're not sick You're just in love
