My love  
I'll never find the words, my love  
To tell you how I feel, my love  
Mere words could not explain

Precious love  
You held my life within your hands  
Created everything I am  
Taught me how to live again

Only you cared when I needed a friend  
Believed in me through thick and thin  
This song is for you  
Filled with gratitude and love

God bless you  
You make me feel brand new  
For God blessed me with you  
You make me feel brand new  
I sing this song  
'Cause you make me feel brand new

My love  
Whenever I was insecure  
You filled me up and made me sure  
You gave my pride back to me

Precious friend  
With you I'll always have a friend  
You're someone who I can depend  
To walk a path that sometimes bends

Without you  
My life has no meaning or rhyme  
Like notes to a song out of time  
How can I repay you for having faith in me

God bless you  
You make me feel brand new  
For God blessed me with you  
You make me feel brand new  
I sing this song 'cause you

Make me feel brand new
