"Alone Tonight"

Does the pain still astound you?
I can see it in your eyes... Oh
He's gone so don't you cry again
Just another lonely Monday
Are you coming out tonight... I know
Surrender now and let me in

Are you alone tonight?
Together we will somehow find the way
Are you alone tonight?
Don't turn to stone, don't be a runaway
Love you
I really love you
Need you
I really need you
Want you, Oh love you
Are you alone tonight?

I've been waiting here beside you
Can't you see it in my eyes... Oh
I love you so and you don't see me
Are you picking up the pieces?
Is there love left in your life... I know
That the stars will surely shine again

(J.P. Cervoni and Kevin Tetz)
