Watch the night slip away  
It's what I've done because your eyes saw such a  
tragedy  
Such a tragedy  
Tell the rest to me now  
It's what you mean, but I feel like I'm getting in too  
deep  
I'm getting in too deep  
You're threatened by this town so, lock your door and  
break free  
Lines nurse lies 'til the end  
I understand, but it's a shame that you let me in on  
them  
You let me in on them  
But I can be good, and you can be good, and we can be  
good  
I asked you for the truth so, lock your door and lose me
