Fatal missy, daring you to kiss me
Crystal gypsy, light my fire

Tonight I die to realize
I bury my shit deep inside
I suck up all you think and I'm thirsty
Convolutd hell run dry

Fatal missy, daring you to kiss me
Crystal gypsy, light my fire

When it starts to suck and I'm stuck here
Carrying me far away
I just send a wink to the trustee
Check's in the mail, it's time to pay

Freeze out, I squeeze out something
To stumble out, stumble down
It's my kinda highway really
Convolutd hell run dry
