"Everybody's Been Burned"

Visit "[Everybody's Been Burned](#)" on MotoLyrics.com

Everybody has been burned before
Everybody knows the pain
Anyone in this place can tell you to your face
Why you shouldn't try to love someone

Everybody knows it never works
Everybody knows and me
We know that door shuts just before
You get to the dream, you see

I know, I know all too well how to turn and how to run
How to hide behind a bitter wall of blue
But you die inside when you chose to hide
So I guess instead I'll love you

I love you
I love you
