Driven to live, but now I complain
I'm fallin' apart when I feel this way
I can't ignore, I can't exist
The door is locked and on my mind, it's

Anytime you want me
I feel good all over
Spending all my time
It really is a good thing

This is good, it's all we have
Now I know there's nothing left
I'm trapped, I'm trapped
My head is filled with facts and it's all you

Sick in the head, I think it's a game
But if it was, I wouldn't feel this way
I'm doing my chorus, I'm checking my list
I'm walking the dogs, and on my mind, it's

I'm gonna get so wasted
Gonna feel good all over
I'm spendin' all my time
Wishing you were with me

It's you, it's you, it's you, it's you, it's all you
It's you, it's you, it's you, it's all you
