Julienne
Never thought I was man enough
Julienne
Peanut Butter and Marshmallow Fluff
Julienne
Exotic butt, American eyes
Julienne
Sucked in by a spinning shine
Julienne
My shoulders were in front of you
Julienne
I used to think I was in love with you
Julienne
Share the slip by the pottery whip
Julienne
Scared to talk of the way I feel
Julienne
Meanest voice, call me once a year (?)
Julienne
A beautiful girl who's nice and weird.
Who talks to me about other guys,
and cuts my ego down to size.
