It's a joke I play three times a day  
To sticky magazines  
Tired wrist and greasy fist  
Erotic sister scenes

Bitter, unreal, too worn out to feel  
Resisting, grasping and never lasting  
And nulling out my pleasure  
So I never know what's real

Three times a day, three times I see  
Just how pathetic my need can be  
Three times a day, three times I see  
Just how pathetic my need can be  
Three times a day, three times I see  
Just how pathetic my need can be

You got it, brother
