Tonight I feel so weak, but all in love is fair
I turn the other cheek
And I feel the slap and the sting
Of the foul night air
And I know you're only human
When I haven't got talking room
But tonight while I'm making excuses
Some other man is making love to you

Somebody bring me some water,
can't you see I'm burning alive
Can't you see my baby's got another lover
And I don't know how I'm gonna survive
Somebody bring me some water,
can't you see it's out of control
Baby's got my heart,
and my baby's got my mind
But tonight the sweet devil,
Sweet Devil's got my soul

When will this aching pass,
when will this night be through
I want to hear the breaking glass
I only feel the steel of the red hot truth
And I'd do anything to get it out of my mind
I need some insanity of that temporary kind
Tell me how will I ever be the same
When I know that man
is whispering your name

Somebody bring me some water,
can't you see I'm burning alive
Can't you see my baby's got another lover
And I don't know how I'm gonna survive
Somebody bring me some water,
can't you see it's out of control
Baby's got my heart,
and my baby's got my mind
But tonight the sweet devil,
Sweet Devil's got my soul

Oh, the Devil's got my soul

Somebody bring me some water,
can't you see I'm burning alive
Can't you see my baby's got another lover
And I don't know how I'm gonna survive
Somebody bring me some water,
can't you see it's out of control
Baby's got my heart,
and my baby's got my mind
But tonight the sweet devil,
Sweet Devil's got my soul

Somebody bring me some water,
can't you see I'm burning alive
Can't you see my baby's got another lover
And I don't know how I'm gonna survive
