Here comes the sun,
Here comes the sun and i say is alright,

Little darling
It's been a long, cold, lonely winter
Little darling
It's feel like years it's been here

Here comes the sun,
Here comes the sun and i say is alright,

Little darling
The smiles returning to the faces
Little darling
It's seem like years since it's been here

Here comes the sun,
Here comes the sun and i say is alright,

Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes

Little darling
I feel like oce is slowley melting
Little darling
It feels like years since it's been clean

Here comes the sun,
Here comes the sun and i say is alright,

Here comes the sun,
Here comes the sun,
And i say is alright
And i say is alright
