"Stay real"

Here it comes like a silent wave
Here it comes to kiss the pain away
Into my room and over my bed
Into my veins and spinning around my head
Am I dreaming?

Stay real
Stay real
Stay real, stay true,
Stay gold, stay you

Let me dance in the pale moonlight
Let me drown in your ocean coloured eyes
Here's to your smile and the joy you bring
Here's to your hair and
your olive coloured skin
Don't go changing

Stay real
Stay real
Stay real, stay true
Stay gold, stay you
Stay real
Stay real
Stay young, stay free
Stay real to me

Don't stop dreaming

Here it comes like a long lost friend
Here it comes taking me over again
Don't stop dreaming

Stay real
Stay real
Stay real, stay true
Stay gold, stay you
Stay real
Stay real
Stay young, stay free
Stay real to me
