by the smoking weed, by the shape of ya keys  
to small white tees, ya'll ain't ballers ya'll just cut ya'll

i move in k-pax speed, through a tropical breeze  
cause i Believe

for the parents who sterile and have one  
I'm like a mutual fund

I'm like a salad no grease, dressing ranch and blue  
cheese  
I'm dirty laughing for personal beats  
I'm the water that you spill, more like the heat that you  
feel  
when you laid off and sick on the pill  
I'm the streets and the corners, for all my women  
abused  
I'm the medicine used, for the cuts and the bruised  
I'm a loner, organ, doner, for all my John's q
