I see your true colours shinin' through,
I see your true colours and thats why i love you
I see your true colours shinin' through,
I see your true colours and thats why i love you baby

Fall or forgive we all tryna survive when we live,
I'd rather feed the homeless they've time to talk to their
kids,
Sure life aint the walk on the bridge,
Dam its hard as it is when i be dreaming i be talking to
Big,
In my 'hood it aint a yellow brick road
We had a shot Seko sneakers hanging from a
telephone pole,
And my Daddy aint no rainbow or pots of gold,
But there was love from the family when times were
cold,
I sit and analyse the world from my project roof,
And seen the hope in the eyes of a troubled youth,
A good kid well kept the burning in this mother goose,
A motherless child in these streets loose,
And the more the words are raged these are rainy
days,
My man got popped at an early age,
His collage friends say he flipped him to his early
grave,
They say the good the young were having fun at the
pearly gates.

I see your true colours shinin' through, (straight up)
I see your true colours and thats why i love you (i can
see through u man)
I see your true colours shinin' through, (i knew you
werent really like that)
I see your true colours and thats why i love you

This aint that strong was it meant to be?

2 people from 2 different words it wasn't meant to be,
It must have been fate you were sent to me,
We'll make it through these hard times eventually,
To stand and fight,
War by faith and not by sight,
we're all the same colour when you turn out the lights,
Take the sunshine with the pain,
Grandma Sarah got sad that's with the range,
No fridge
