She starts the day
Paints on another happy face
Gets all dressed up
To meet her friends at the usual place

All the while she's longing (Ahhh)
Just wants to belong (Ahhh)

Chorus:
If you change the color of your world
And you change the fears you hold inside
Will you find what you are looking for
Change for you, not for me

Found everything she wants
That money can buy
But she is lost
Somewhere in between the lines

Ohh inside she's crying (Ahhh)
Her whole world is dying (Ahhh)

Repeat Chorus

Change not for herself
For someone else
The way she walks
The way she talks
The way she smiles
What she believes
The way she breathes

Repeat Chorus

Change for you
Don't change for me
Change for you
Don't change for me
