Now if my man Benzino got a Benz and they call him

Lot of shit changed since I hooked with Jay-Z yo
For the tracks I done got 800 C-notes
So glad I ain't take the drive to Home Depot
Right now my car and home would be repo'd
Fuckin with my girl today around three-oh
My man said let's call some girls that we know
Ohhhhhhhh!
Sometimes I wanna say fuck my bitch
But I don't want nobody to fuck my bitch
Even if a modelin chick sucked my dick
It wouldn't make me now feel so sick, just because
They came over to cheer me up
Smoked, drink, and yeah we fucked
No matter what they do it can't be enough

[Chorus]

Oh ohh oh ohhhhhhhh!

Let me call some, call some girls that I knowww,

She was lookin at it like that isn't gonna fit
I told her I was only gonna use half of it
If you want a smaller size go and rent a plastic dick
Why you actin like you a genital activist
Matter of fact you can get out, you can pack your shit
And she was like, "Ay, why you gotta act like this?"
Cus your wastin my time you can ask my wrist
Now you trying to talk to me about abstinence
She was like wait a second let me ask you this
Is you're name Chamillionaire, do you rap?
