Five o'clock in the mornin'
Floatin' over my bed
Temptin' fate is a pleasure
Goin' straight to my head

Not one for collegiate
Never one for respect
I take what I am given
I never needed what I never get

What if I told you a secret?
You promise you'll never tell?
I wanna get into you now, baby
Get me out of this hell

Semi-good lookin' seducer
Slither in the street
I gotta suck out the venom
Desire's killin' me

So go ahead and shoot me
'Cause I ain't goin' down
Aim and fire your best shot
And I ain't hittin' the ground

What if I told you a secret?
They ask and we'll just deny
I wanna get into you now, baby
Tonight our love is a lie

I can't control myself
My passion reigns
A victim of my lust
Delicious pain

What if I told you a secret?
You promise you'll never tell?
I wanna get into you now, baby
Get me out of this hell

I wanna tell you a secret
They ask and we'll just deny

I wanna get into you now, baby
Tonight our love is a lie
Tonight our love is a lie
