HEY!!!!We're tired of livin' on the outside  
Don't wanna live a life we THOUGHT we'd know  
Too long the lowdown on the upside  
I eat the peach fizz blow

Do ya need it? Can you breathe it?  
Can you see it? You can be it  
We can't wait, we can't fight it  
There's no way you can deny it

Can you feel it gettin' stronger every day?  
Turn it louder!  
Can't get no kick if you got no soul  
I'LL NEVER TURN MY BACK ON ROCK ' N ' ROLL

LOOK OUT!!!!the question outnumber the answers  
They got the badges, but they ain't got no guns  
Hornication the romancer  
You're not the only one

Right away you get excited  
So delicious & delighted  
So you come & I like it  
We're the chosen & invited

Can you feel it gettin' stronger every day?  
Turn it louder!  
Can't get no kick if you got no soul  
I'LL NEVER TURN MY BACK ON ROCK'N'ROLL  
Can you feel it gettin' harder every day?  
Can't get no fix if you got no soul  
Can't get no fix if you're in the hole  
Can't get no fix if you got no whole  
Can't get no licks if you shut your hole
