Me nah have another dude, this is just me  
I don't give a shit what you think about me  
I am not a rebel I was born to be free  
A cool ass chick you should get to know me  
Bring it to me baby but you gotta bring your best  
Down to do it anyway, can you handle this  
Not easily impressed, they call me...  
We don't kiss and tell when it comes to the

Cause we a good gyal, not... only man though  
And we don't play around  
And when we head town, man them man go town run  
Places ah go burn, burn down  
Tomboy, tomboy, tomboy, tomboy  
Tomboy, tomboy, tomboy, tomboy

Ride the beat go crazy for me  
Wanna put me in a box you gotta kill me  
Ride the beat go crazy for me  
Wanna put me in a box you gotta kill me  
Ride the beat go crazy for me  
Wanna put me in a box you gotta kill me  
Ride the beat go crazy for me  
Wanna put me in a box you gotta kill me  
Ride the beat go crazy for me  
Ride the beat go crazy for me

Love hardwork, hardplay, harder  
Boys shorts high props, price beater  
That's the slight when we touch go  
But gyal always on the go  
We know how to keep it sexy  
We know when to put them heels on  
We know when to be a lady  
And yes we run the...

Cause we a good gyal, not... only man though  
And we don't play around  
And when we head town, man them man go town run  
Places ah go burn, burn down  
Tomboy, tomboy, tomboy, tomboy

Tomboy, tomboy, tomboy, tomboy

Ride the beat go crazy for me  
Wanna put me in a box you gotta kill me  
Ride the beat go crazy for me  
Wanna put me in a box you gotta kill me  
Ride the beat go crazy for me  
Wanna put me in a box you gotta kill me  
Ride the beat go crazy for me  
Wanna put me in a box you gotta kill me  
Ride the beat go crazy for me  
Ride the beat go crazy for me.
