Looking in the mirror
I slicked my hair, I slicked my hair back right
(Ladies and gentlemen, BOAT!)
It's almost time for dinner
But I don't care, no I don't care tonight

Cruising in a minivan
Beside your best friend's noise rock band
I know, I knew it was you
We stayed up late and watched the moon
Like your grandma, she can't love our tune
Ok, I like what you say

My eyes are rolling bloodshot
Veins are big, they're always big to me
My allergies are gone now
Spring and I'm feeling strangely fine
All the time

Cruising in a minivan
Next to your best friend's cover band
I know, I knew it was you
We stayed up late and watched the moon
Like your grandma, she can't love our tune
Ok, I like what you say

Ooh, ooh, ooh
Ooh, ooh, ooh

La da da da da da da!
COME ON NOW!
COME ON NOW!
