Feels good today
It's nice outside
I'd like to take you for a ride
Hold my hand, we can walk
Perfect day for a park

It's a feel good day
Just like any other day
What makes a difference is inside
And today it cannot hide
Sun shines down, helps a lot
Changing weather we can't stop
So we just carry on
It's nice how we still get along

Feels good today
It's nice outside
I'm gonna make you my bride
I wait while down the aise walk
This day will never be forgot

It's a feel good day
Just like any other day
What makes a difference is inside
And today it cannot hide
Sun shines down, helps a lot
Changing weather we can't stop
So we just carry on
It's nice how we still get along

Feels good today
It's nice outside
I'd like to take you for a ride
Hold my hand we can walk
Perfect day for a park

It's a feel good day
Just like any other day
What makes a difference is inside
And today it cannot hide
Sun shines down helps a lot

Changing weather we can't stop
So we just carry on
It's nice how we still get along
