We are at the bar it's Christmas,  
Everybody's merry here  
See the drinks they are flowing,  
Dance the spirit draw it near  
You can dance up on the table,  
Careful steady not to fall  
If you drink another whiskey,  
You'll be leant against the wall

Dancing dancing round the tables,  
Spinning spinning round and round  
Drinks are flowing feel the music,  
Everybody's out in town  
Around and round and round your spinning,  
Till you cannot dance no more  
Festive season brings us laughter,  
It's the greatest time for all

Let us celebrate forgiveness,  
Give the love we share with all  
Children wait for father Christmas,  
Leaving gifts that they prayed for  
Make love good cheer and share the laughter,  
Christmas spirit fills us all  
Sing the songs out loud at Christmas,  
Tis' the season winter falls

Dancing dancing round the tables,  
Spinning spinning round and round  
Drinks are flowing feel the music,  
Everybody's out in town  
Around and round and round your spinning,  
Till you cannot dance no more  
Festive season brings us laughter,  
It's the greatest time for all

Singing songs of baby Jesus,  
Carol singer's at our doors  
There is no use for burning bridges,  
We have dancing it's for all  
Forget our troubles spread forgiveness,

Nurture future in our hands  
Live long happy well and prosper,  
Since saints brought light across the land
