Bluebells in the woods
Jingle in the wind
Badger wanders wild
Such an English thing

Bluebells beautiful bluebells
In the woodlands grow
Bluebells beautiful bluebells
Never seen in snow

Fox den hidden sleep
Rabbits burrow deep
Stag so dear to me
Bears we didn't keep

Bluebells beautiful bluebells
In the woodlands grow
Bluebells beautiful bluebells
Never seen in snow

All these English things
Our native origins
Protect our ancient wild
For woman man and child
