Shun fame only one to blame
Crewmen tied to mast
Hear Murphy call down a narrow hall
Stranger Shields me from my past
Strong castle holds, but down the stairs I go,
Looking for a light
Feeling for a way as spirits sway,
With a candle I will fight

Is it too much to see with common sense?
Even if we're hindered
Is it too easy not to be defeated?

Reaching Basement deep
Finding ways to teach me
Learning lore's so fast
Dissolving all the tears and weary fears
Finding strength to last
How can one deny being so shy?
Hidden from platform high.
With a voice so loud whispering
How knowledge is outside.

Is it too much to see with common sense
Even if we're hindered
Is it too easy not to be defeated

With the verdict hearing
Clarity clearing futures
Bright bestowed
I have found my way to better days,
These I know I'm owed.
On the darkest night in silent cold
The warmth of love I will hold.
Beyond the end eternal friend
From here the life it grows.

Is it too much to see with common sense
Even if we're hindered
It's too easy not to be defeated
