Fire fly in the night  
Dancing glow of magic light  
Moon clouds transparent hues  
Midnight hot tubs made for two

Lay back and unwind  
This is your own free time  
How does freedom feel  
Everybody needs to chill

Feeling dreamy now  
Perfect time is here and now  
With you by my side  
From Rising sunlight shadows hide

Lay back and unwind  
This is your own free time  
How does freedom feel  
Everybody needs to chill

Walking in the sun  
Be my partner let's have fun  
Travelling far and wide  
Love the people in our lives

Lay back and unwind  
This is your own free time  
How does freedom feel  
Everybody needs to chill

Fire fly in the night  
Dancing glow of magic light  
Moon clouds transparent hues  
Midnight hot tubs made for two

Lay back and unwind  
This is your own free time  
How does freedom feel  
Everybody needs to chill
