Bathing under midnight moon  
Breathing in smells of June  
Counting stars, silent night  
Feeling good, tranquil, right

Chorus:

Warmest season so soothing  
Darling buds of may blooming  
Memories here are brooding  
Humid scent of life looming

Below the surface currents trail  
Warm this pool like gentle grail  
Mind is clear, feeling free  
This is where I like to be

Chorus:

Warmest season so soothing  
Darling buds of may blooming  
Memories here are brooding  
Humid scent of life looming

Peaceful silent, tranquil, calm  
Music emanates deep charm  
Air I breathe is the life  
Merge myself with the night

Chorus:

Warmest season so soothing  
Darling buds of may blooming  
Memories here are brooding  
Humid scent of life looming

Magical fairy-like sprites glow  
Diffused, they Dance and play below  
Enchanting while cleansing mind  
Peaceful this retreat of mine

Chorus:

Warmest season so soothing  
Darling buds of may blooming

Memories here are brooding  
Humid scent of life looming

When time decides to retire  
Stand up heavy, weighty, tired  
Trickle away the old made new  
While I dry stood in the cool
