Riding through the fog
It's misty on the road,
My horse still wanders onwards
Just following it's knows

Up here on the saddle
Instinct in our heads,
Aware of what's behind us
Grip the reins no room for dread

Chorus:
Cause I'm a rider on the path,
I ain't turning back
I'm a rider on the path,
You better let me pass

I'm a horseman on a mission
Charging through the rain,
No matter what the weather is
It's distance that I gain

Head for my destination
Star guided clear nights,
Don't stop for no highwayman
I ain't Got no time to fight

Chorus:
Cause I'm a rider on the path,
I ain't turning back
I'm a rider on the path,
You better let me pass

I've jumped fallen bridges
And turned the sharpest bends,
Carried many messages
That came from mighty pens

I make my own paths
When there is no road or track,
Been everywhere there is to go
No need for any map

Chorus:
Cause I'm a rider on the path,
I ain't turning back
I'm a rider on the path,
You better let me pass
