Somewhere, she's waiting
I'm anticipating
Don't like how I'm feeling
Low down tears streaming

Got to be a brighter day
Got to have nice things to say
Got to find her somehow
When I meet her sun comes out

Hoping she's not teasing
I she'd a tear of emotion
Must be strong for that reason
In this boring lonely season

Got to be a brighter day
Got to have nice things to say
Got to find her somehow
When I meet her sun comes out

Can't do things alone
Sick and tired of that show
Need to get myself there
Work it out Breathe the air

Got to be a brighter day
Got to have nice things to say
Got to find her somehow
When I meet her sun comes out

Somewhere, she's waiting
I'm anticipating
Don't like how I'm feeling
Low down tears streaming

Got to be a brighter day
Got have nice things to say
Got to find her somehow
When I meet her sun comes out

Hoping she's not teasing

I she'd a tear of emotion
Must be strong for that reason
In this boring lonely season

Got to be a brighter day
Got have nice things to say
Got to find her somehow
When I meet her sun comes out
