Galloping steeds race  
Under blanket sky  
Galloping fast  
Jumping they ride  
Over stream  
Through river  
Scale walls  
They are our saviours  
Our steel work horse

From light to night  
Through night to day  
For errand and duty  
Tribute is paid

From holy stable  
Through pen and glen  
Forest of woodland  
Of which we depend

Galloping steeds race  
Under blanket sky  
Galloping fast  
Jumping they ride  
Over stream  
Through river  
Scale walls  
They are our saviours  
Our steel work horse

Keeping the peace  
Preserving our souls  
Protecting this home  
Ancient and old

For saint and saviour  
Through battle they ride  
Knowing no fear  
Tireless with pride

Galloping steeds race

Under blanket sky  
Galloping fast  
Jumping they ride  
Over stream  
Through river  
Scale walls  
They are our saviours  
Our steel work horse

The view from a highland  
Or nurture of cave  
Of Them we trust  
By them are saved
