Take a ride over Humber, hot summers day  
Look east and west at the shimmering glaze  
Feeling like essence of movies and of songs  
Objects on surface they bob the sun

Oh this ain't California,  
This ain't la  
Beside the humber I'd spend a day  
We cross the river, reach the far side  
Flowing with the water we go for a ride

Loving views from humber, summertime UK  
Down below old ferryboat anchored it stays  
Thinking of windmills, rare with full sails  
Gas towers distant paint sky with their trails

Oh this ain't California  
This ain't la,  
Beside the humber I'd spend a day  
We cross the river reach the far side  
Flowing with the water we go for a ride

Here ancient Vikings passed in their boats  
I wind down my window, while through sky I float  
Up there in jet plane pilot lives the dream  
Bands pink and amber illuminate the scene

Oh this ain't California  
This ain't la,  
Beside the humber I'd spend a day  
We cross the river reach the far side  
Flowing with the water we go for a ride

Place of great beauty, we ride through the air  
Out there with nature, sunshine and fresh air  
Don't mind the breeze it just adds to the vibe  
Sometimes I go there just for the ride

Oh this ain't California  
This ain't la,  
Beside the humber I'd spend a day

We cross the river reach the far side  
Flowing with the water we go for a ride

Take a ride over the humber hot summers day  
Look east and west at the shimmering glaze  
Feeling like essence of movies and of songs  
Objects on surface they bob the sun

Oh this ain't California  
This ain't la  
Beside the humber I'd spend a day  
We cross the river reach the far side  
Flowing with the water we go for a ride

A ride
