I got myself the Indian blues, yeah...
Blue ain't for cold, blue's for super cool
I got myself the Indian blues, yeah...
Blue ain't for cold, blue's for super cool
Shiva dances ego right into the floor... ego wont bother
anyone no more...
I got myself the Indian blues, yeah...
Blue ain't for cold, blue's for super cool
Old Shankara he did know... The way it is, as above so
be it below...
I got myself the Indian blues yeah...
Blue ain't for cold, blue's for super cool
Old Shankara he did know... The way it is, as above so
be it below
I got myself the Indian blues, yeah...
