From Dublin to Doolin  
Deli to Bombay  
You could cover many countries  
And still not find your way

I don't run no hotel  
Ain't the holy man in town  
But I get around  
Don't just travel over ground

I Cruise down the highway  
In the outside lane  
In between destinations  
Subconscious guides the way

I don't run no hotel  
Ain't the holy man in town  
But I get around  
Don't just travel over ground

Sometimes day dreaming  
I see magnificent views  
Sky shines with a blue halo  
Radio updates me with the news

I don't run no hotel  
Ain't the holy man in town  
But I get around  
Don't just travel over ground

I ain't no preacher  
I'm not spreading a word  
I'm just happy singing &  
Humming what I've seen and heard

I don't run no hotel  
Ain't the holy man in town  
But I get around  
Don't just travel over ground

Oh, the bishop and the vicar

They have good things to say  
They are there to guide you  
If you might lose your way

I don't run no hotel  
Ain't the holy man in town  
But I get around  
Don't just travel over ground
