Wonder women
Wonder women so fair
Wonder women with the long, dark and shiny silky hair

Wonder woman slim and tall
All wonder women wide and small

Wonder women come and show
Show the right path to grow

Wonder women bright and strong
Be welcome too all come along

Wonder women true and fair
Bring your light and shine it here

Wonder women
Wonder women so fair
Wonder women with the long, dark and shiny silky hair

Wonder woman slim and tall
All wonder women wide and small

Wonder women come and show
Show the right path to grow

Wonder women bright and strong
Be welcome too all come along

Wonder women true and fair
Bring your light and shine it here
