My ...

Is Friday night hit the club
Music is .. your dress is baging
Your body is right I wanna a sample
We can party all night long
You are .. you are so sexy
Never wanna have you baging
Let's go

Chorus

We can do it in the morning
We can do it in the night
I can take you to the club and party to the sun rise
I am ready for the sex cause you really turn me on
.. this party all night long
All night long

Got my attention it turns me on
Here I mention I got your dog
Between .. pushing up on me
You are about to get a real love fantasy
Work it baby you are so sexy
Don't wanna have you .. you are my baby
Let's go crazy

Chorus

We can do it in the morning
We can do it in the night
I can take you to the club and party to the sun rise
I am ready for the sex cause you really turn me on
.. this party all night long

We can do it in the morning
We can do it in the night
I can take you to the club and party to the sun rise
I am ready for the sex cause you really turn me on
.. this party all night long
All night long

Work it baby you are really sexy
You are my baby
Let's go crazy all night
All night all night

Chorus

We can do it in the morning
We can do it in the night
I can take you to the club and party to the sun rise
I am ready for the sex cause you really turn me on
.. this party all night long
All night long
