Wilin in the club smoking hash with my niggas
???? liquor put my mack on a strippa
But she gasped on a a nigga flashed me her figure
Ready to take this bitch in the bathroom and hit her
This other nigga stepped up tryin to rap on a nigga
Tryin to battle spittin bull trash through a nigga
Must have been blazed off the sacks we deliver
Cause my rhymes on the scale be the last on the rhicter
This nigga had ice, I'm about to jack like the ripper
I chill cause I'm still tryin to get ass from the stripper
Bust up in a mickey from the glass that I slipped her
Cause the bitch blacked out and made a dash at the
nigga
I held it down then I laughed at the nigga
He came back throwin arms fast like a pitcher
Then I put it on this nigga like a blast from the trigger
Took all the ice and cash from the nigga

Chorus (4x)

Put it on a nigga
Put it on a nigga
Put it on Put it on and shitted on a nigga

Fuck the glitter, im bigga, so why you frontin on a
nigga
Only time you know a nigga is when you smokin wit a
nigga
I be rappin east and westin so not a question who got
the blessin
Buddah, while niggaz be smokin my shit like Smiff &
Wesson
We put it on a nigga, its the supreme shot liquor
Up in ?cheetas? with your sister about to put it on a
nigga
Smoke it out with the mixture then get caught up in a
figure
It be Mr. Green layin more dick than Dirt Digler
Make figures, shine bright like God over niggas
I wake up every morning smoke an el wit niggas
With the hydraploric mixture
Do a one hit and quiter

You can be the size of Big Pun my herb will lift ya
The power ????? used to hit my babysitter
I put it on a sister with my dick just past my zipper
I was 5 when I did her
And I'm live when I hit ya
The funk funk shitter to put it on motherfuckers

Chrous(4x)
