Take your time
Walk away
But there's nothing I won't do
Seperate
Know your fate
Cause I will run after you

I walk along
An empty road
Gave you a choice
But I won't hear your voice

You'll always be the girl
I will never forget
You'll always be the girl
Getting stuck in my head
You'll always be the girl
Haunting me every day
You'll always be the girl

Go to sleep
Take your pills
But there's no way you're alone
Think of me
Think of us
In a moment it all'll be gone

I walk along
An empty road
Gave you a choice
But I won't hear your voice

You'll always be the girl
I will never forget
You'll always be the girl
Getting stuck in my head
You'll always be the girl
Haunting me every day
You'll always be the girl

I walk along

An empty road
Gave you a choice
But I won't hear your voice

I walk along,
uhhh, uhhhh

You'll always be the girl
I will never forget
You'll always be the girl
Getting stuck in my head
You'll always be the girl
Haunting me every day
You'll always be the girl

You'll always be the girl

And you'll always be that girl
