Turn the lights out
Come and lay here by my side
Put your nose against my neck
So I can feel you breathe

You're the one for me
I knew it from the start
You're the one for me
I hate when we're apart

It's time to wake up once again
This bed is our hme till the end
Shut the door nehind you
As I watch you drive away

You're the one for me
I knew it from the start
You're the one for me
I hate when we're apart

You're the one for me
I knew it from the start
You're the one for me
I hate when we're apart
